The packet previews shown here are reflective of current content. We are continuously working to improve upon our materials, and as such the packet contents are subject to modification/updates by your session date. The samples here are to help you determine if this member perk is right for you.

ACTIVITY PACKET PREVIEWS NOT YET AVAILABLE FOR THE FOLLOWING TOPICS:

Marine Reptiles
Sharks, Skates, & Rays
Ocean Threats & Endangered Species

The Activity Packets for every topic will be made available ahead of their respective session dates throughout the school year and recordings made available after each lesson. These materials will expire and reset at the start of each school year to be reflective of the most up to date material.

WANT ACCESS TO THESE ACTIVITY PACKETS?

BECOME A REEF RELIEF MEMBER!

Reef Relief membership has many perks including:

- Virtual Lesson Series Perks: Access to these full Supplemental Activity Packets for each lesson beforehand and recordings of each lesson afterwards.
- Discount in Reef Relief Shop including: 20% retail items and 50% off Lesson Library and Virtual Marine Science Classroom.
- Discounted Coral Camp and Reef Explorer Coral Camp registration fees.
- Discounted member rates for ticketed events.
- You will join our online community and keep up to date with all the big issues through our newsletters.
- You'll have the opportunity to take part in our community engagement projects
- The knowledge that your money is directly helping educate future generations about the importance of our marine ecosystems.

All donations are 100% tax deductible. Reef Relief does not share or sell your information.

Minimum $30 donation required to become a member.
