

## Virtual Classroom Review

Below are survey questions from the past 8 weeks. These questions will help Reef Relief continue these lessons and improve our curriculum! When you are done filling this worksheet out, please scan, take a picture, or send it back online by e-mailing it to [reefrelief@gmail.com](mailto:reefrelief@gmail.com). This can be anonymous and would be a great help for us.

1.) What was your favorite lesson topic?

---

2.) What was your favorite experiment or activity?

---

3.) What was your least favorite lesson?

---

4.) Did you find the that the saved YouTube videos were helpful in order to watch post-live video? Yes No (Circle)

5.) If we could improve on these videos, what suggests do you have for us?

---

---

---

6.) If we were to offer pre-recorded video subscriptions would this be a resource you could see your household using (small fee per subscription)?

---

---

---

7.) Any other overall thoughts, suggestions, improvements you would like to see from virtual lessons in the future:

---

---
