

REEF RELIEF

Marine Animal Public Service Announcement

Materials:

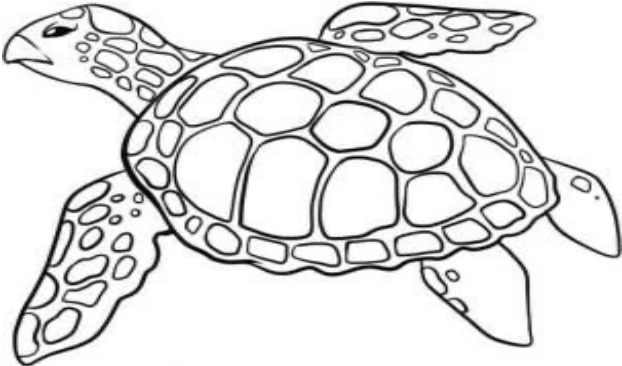

- Poster board or paper
- Coloring utensils

What your poster should address

- Choose a marine animal
- Determine the location for this animal
- What are some threats the animal faces
- What to do if you see this animal experiencing an issue (for example who to call)

Example:

Have You Seen Me?

Common issues:

- Large, cauliflower like growths
- Bubble-like carapace
- Boat strike marks
- Entangled in marine debris
- Failing to dive down

If found with any of these conditions, please call:

- Sea Turtle Hospital 305-481-7669
 - FWC 1-888-404-FWCC
