**Sharks, Sea Turtles, Dolphins and Fish!**

## Coral Camp 2010

is a Reef Relief summer program  
at the

**REEF RELIEF®**  
**Environmental Center**  
631 Greene Street, Key West

# Coral Camp '10

If you're a student, then join us this summer to explore and learn about our surrounding marine environment through exciting, educational activities at the Reef Relief Environmental Center in Key West. Each fun-packed day, campers will experience hands-on learning, interactive games, group activities, and state-of-the-art videos of life at the amazing living coral reef.

In addition, exciting field trips will expand your horizons! Campers visit the offshore coral reef, tour marinelife at the Key West Aquarium, and go on an interpretive shoreline walk.

Eight weeks of one- or two-week sessions are available beginning June 21st through August 13th, 2010. Sessions are limited to 20 campers per session, so sign up now! A limited number of scholarships are available. Camp will run from 8:30am-4:30pm Monday through Friday. Please arrange transportation to and from Reef Relief each day.

Camp fees are \$215 per child per week or \$370 for two or more weeks. Scholarships are available.

Fees are non-refundable.

**Space is limited!**

**Enroll now!**

## Visit the **REEF RELIEF®** Environmental Center

*Learn about the living coral reefs, the most biologically diverse ecosystems on earth!*

**Interactive Exhibits\* Theater**

## Reef Relief...

- Increases public awareness of the importance and value of living coral reef ecosystems
- Increases scientific understanding and knowledge of living coral reef ecosystems
- Strengthens grassroots, community-based efforts to protect living coral reef ecosystems;
- Designs, develops, and helps implement strategies for marine protected areas associated with coral reef ecosystems
- Encourages and supports ecotourism as part of sustainable community development that protects and preserves coral reef ecosystems;
- Works to strengthen its organizational ability to carry out this mission.
